CALL 707-479-1052

Wildflowers Nature School

10570 Mill Station Road
Sebastopol, California 95472
bev@wildflowerkids.org

License #493007259

Letting the innate wonder of nature
be the context for learning

Summers should be spent catching frogs in creeks, making mud pies, finding signs of critters, playing in & with water, laying under a big oak listening to a storyteller, growing plants, and playing in trees.

Ask about our other programs:

- **Preschool**
- **Camp for ages 6-12**
- **Afterschool program ages 6-12**
- **Homeschool program**
